Subject: Metro Container 104(e) Requests

Dear Andy,

I am representing Sunoco in connection with the above referenced site. Sunoco received 3 separate requests addressed to Sun Oil Company/Sunoco, Sun Transport/Division of Sun and Atlantic Refining & Marketing Corporation. As you suggested, I am sending you this e-mail to request the following:

1. Any information EPA has in its possession regarding any of the Sunoco entities identified above relationship to the site, including any prior 104(e) responses by the company. As I mentioned on the phone, our initial review of records indicated Sunoco may no longer have its files relating to this site.
2. Sunoco received the 104(e) on approximately March 14. We would like to request an extension until June 1, 2012 to respond. Given the age of the information being requested, it is likely Sunoco will need to search archived information to fully prepare a response which will be very time consuming.

Thank you for your consideration of these requests.
